6AM-12NN-6PM PRAYER GUIDE

1 Timothy 2:1-4 / Romans 13:1-7

“Our Father in heaven, we remember to pray for **President Rodrigo R. Duterte**, being the leader of our nation. Grant him today the fear of the Lord, wisdom, knowledge and understanding, good health, protection, and favor with You and men in the performance of his duties and responsibilities for the benefit of our beloved nation. Let there be peace, order and prosperity in our land under his leadership. We also pray for blessings and guidance upon our Vice-President, the members of the Cabinet, all the local officials and government employees, the Philippine National Police (PNP), the Armed Forces of the Philippines (AFP) and all Law Enforcement Agencies; the Legislators in the Senate and the Congress; the Justices in the Supreme Court, the Court of Appeals and the other judges in the Judiciary. Bless all our barangays nationwide, all our Consular Offices worldwide and all our Overseas Filipino Workers and their families. Let our nation be great once again for Your glory and purpose, through the guidance and power of the Holy Spirit in **Jesus Christ's** name, we pray. **Amen!**”
